an authorized member of the group,
authorized person signature and seal

Note: If the tender is submitted by a group of Tenderers, Statement shall be signed by the authorized person of each Tenderer from the group of Tenderers and certified by seal.

4.3. INSTRUCTIONS ON HOW TO PROVE FULFILMENT OF CONDITIONS

If the Tenderer submits the tender independently, he proves fulfillment of conditions from Article 75 and 76 of the Public Procurement Law, described in Table 4.1., by submitting the evidence stated in Table 4.1. in Template 4 of the Tender Dossier.

If tender is submitted by a group of Tenderers (joint tender), each Tenderer from a group of Tenderers must meet the requirements for participation in the procurement procedure under Article 75 Paragraph 1 points 1) to 4) of the Public Procurement Law ("Official Gazette of the Republic of Serbia" 124/12). Conditions are described in points 1) to 4) of Table 4.1. in Template 4 of the Tender Dossier, and they prove fulfillment by submitting evidence given in Table 4.1. Additional requirements from Article 76 of the Public Procurement Law, which are described in Section 5) Table 4.1., in Template 4 of the Tender Dossier, they meet together by submitting evidence given in Table 4.1., point 5).

In case of tender with subcontractor the Tenderer shall deliver evidence for the subcontractor that the requirements of Article 75 Paragraph 1 points 1) to 4) of the Public Procurement Law ("Official Gazette of the Republic of Serbia" No. 124/12), as described in points 1) to 4) of Table 4.1. in Template 4 of the Tender Dossier have been fulfilled.

If a public procurement contract is concluded, the subcontractor shall be stated in the contract.

Requirements of Article 75 Paragraph 2 Law on Public Procurement. Tenderer shall, with the tender, submit a completed and signed statement from 4.2. of this Template.

Method of delivery of evidence is prescribed by Article 79 of the Public Procurement Law ("Official Gazette of the Republic of Serbia" 124/12).

If the Tenderer is a legal entity the evidence in Table 4.1., points 2) and 4) may not be older than two months before opening. Evidence from Table 4.1., item 3) must be issued after the publication of the invitation to tender.

If the Tenderer is an entrepreneur the evidence in Table 4.1., points 2) and 4) may not be older than two months before opening. Evidence from Table 4.1., item 3) must be issued after the publication of the invitation to tender.

If the Tenderer is a natural person the evidence in Table 4.1., point 2) and 4) may not be older than two months before opening. Evidence from Table 4.1., item 3) must be issued after the publication of the invitation to tender.

TENDER FORM

3. Tenderer is made in writing in A4 format.

Tender is made by entering requested data in the templates that are integral parts of the Tender Dossier.

It is desirable that all documents in the tender are connected so that they cannot be subsequently inserted, removed or replaced by single sheets, i.e. enclosures.

The Tenderer shall submit his tender in a sealed envelope.

Tender Template (Template 6) should be filled in according to given columns, by entering elements for evaluation of tender into the given template.

Tender must not contain the words entered between the lines, deleted word or words written one over another, except when necessary to correct the mistakes that Tenderer has made. In this case such corrections shall be verified by the Tenderer; otherwise the tender will be rejected as unacceptable.

TENDER WITH ALTERNATIVES

4. Tender with alternatives is not allowed. The tender containing alternatives will be rejected as unacceptable.

SUBMISSION OF TENDER

5. The Tenderer may submit tender for one or more lots.

6. The Tenderer shall submit his tender directly in the archive of the Purchaser or by mail at the address of the Purchaser. The tenderer shall submit his tender in a sealed envelope, sealed in a way that during opening session it can be established with certainty that it is being opened for the first time.

The tenderer may submit only one tender.

Within the term for submitting of tenders, the tenderer may alter, amend or withdraw its tender. In this case, the tenderer will amendment, supplement or revocation of his tender submit in a sealed envelope with a note on the envelope that it is the amendment or revocation of tender. In case of amendment or supplement to the tender envelope must indicate the tenderer's name and the words "Amendment or supplement to the tender-DO NOT OPEN".

In case of cancellation of tender envelope must indicate the tenderer's name and the words "Cancellation of Tender – DO NOT OPEN".

7. The Tenderer who submitted a tender independently may not at the same time participate in the joint tender or as subcontractor, nor can the same person participate in more joint tenders.

8. Tender must not contain the words entered between the lines, deleted word or words written one over another, except when necessary to correct the mistakes that Tenderer has made. In this case such corrections shall be verified by the Tenderer; otherwise the tender will be rejected as unacceptable.

AMENDMENT OF TENDER DOSSIER

9. The Purchaser reserves the right prior to the deadline for submission of bids, or within the period defined by the Public Procurement Law, to make amendment and supplement of tender dossier.

Any amendment or supplement to the tender dossier will be published in the Public Procurement Portal of the Public Procurement Administration, www.portal.ujg.gov.rs and the Internet address of the Purchaser www.beg.aero.

If the Purchaser amends or supplement tender dossier eight or fewer days before the deadline for submission of tenders, the Purchaser shall extend the deadline for submission of tenders and all tenderers will be notified of accordingly.

TENDER WITH SUBCONTRACTOR

10. In case the Tenderer acts with subcontractor he is obliged to indicate in the tender that he will part of execution of the public procurement delegate to subcontractor, the percentage of the total value of procurement which will be delegated to the subcontractor as well as the part of subject procurement which will be executed through the subcontractor.

- The percentage of the total value of procurement to be delegated to subcontractor/
subcontractor may not be higher than 50%;
- The Tenderer is obliged to submit for subcontractors evidences on fulfillment of requirements requested the instructions how to prove eligibility;
- The Tenderer shall on request of the Purchaser, enable him access with the subcontractor to establish his fulfillment of the requirements.
- The Purchaser may, at the request of the subcontractor and where the nature of the subject of procurement allows, transfer due receivables directly to subcontractor for the part of

[Handwritten signatures and initials]
SP M. Lj. ...

procurement to be executed through the subcontractor. Before making a decision on the transfer of due receivables directly to subcontractor the Purchaser will allow the Supplier to object within 5 days after receiving the Purchaser's invitation if receivables are not matured. This does not affect the rule that the Tenderer i.e. Supplier is fully responsible to the Purchaser for the fulfillment of obligations under the public procurement procedure that is for execution of contractual obligations, regardless of the number of subcontractors.

SUBMISSION OF JOINT TENDER

11. In the case of a joint tender, an integral part of a joint tender must be agreement in which the tenderers from the group of tenderers among themselves and towards the Purchaser undertake to execute subject public procurement, which shall contain the following information:

- Member of the group who will be the holder of the job, i.e. submit the tender and represent the group before the Purchaser (authorized member);
- The tenderer who will on behalf of the group sign the contract;
- The tenderer who will on behalf of the group provide security instrument;
- The tenderer who will issue the invoice;
- The account to which the payment shall be made;
- Obligations of each of the Tenderer from the group of tenderers.

12. The Tenderer who submitted a tender independently may not at the same time participate in the joint tender or as subcontractor, nor can the same person participate in more joint tenders.

CURRENCY AND PRICE

13. The Tenderer is required to display the unit price and total tender amount in dinars (RSD), Euros (EUR) or Pounds (GBP).

Prices quoted in the tender are given on delivery basis DAP Belgrade Nikola Tesla Airport (ex DDU) or DDP. The Tenderer is obliged to state for the service offered delivery basis as given in the tender. In the case of tenders made on different delivery basis, the Purchaser shall to Tenderers who have submitted offers on delivery basis DAP add customs charges at the applicable customs tariffs in order to compare tenders with the Tenderers who have submitted tenders on delivery basis DDP. If the Tenderer fails to specify delivery basis DAP or DDP, such tender will be rejected as unacceptable.

If the Tenderer displays price in Euros or Pounds, for its conversion into dinars will be used middle exchange rate of NBS, valid on the day when tender opening started.

The price must include the cost of implementation of public procurement as per technical specification specified in Template 6 of the Tender Dossier and all other related costs necessary for the implementation of public procurement.

If the offered price includes import duty and other charges, the Tenderer is required to present that part separately in dinars.

Prices stated in tender are VAT excluded and may not be increased during the term of the contract.

PAYMENT, DELIVERY TIME AND PLACE

14. The Tenderer shall state in tender template (Template 6), the precise method and conditions of payment. The Tenderer shall offer deferred payment for **at least 14 days** from the date of invoice submission for the quality and timely delivery performed by the Purchaser's individual order; otherwise the tender will be rejected as unacceptable.

Payments under this contract in 2013 shall be effected to the amount of funds provided by business plan for 2013 for these purposes. For the part of obligations under this contract due in 2014, the Purchaser shall pay to the Supplier upon provision of funds by adoption of the Business Plan for 2014 or by the decision on temporary financing otherwise the contract shall terminate without compensation for the inability of the Purchaser to assume the obligations.

15. The Tenderer shall in tender template (Template 6) accurately express delivery time. The Tenderer shall offer delivery time not exceeding **90 days** from the date of the individual order by the Purchaser. If the offered delivery time is longer than 90 days, such tender will be rejected as unacceptable.

16. The Tenderer shall in tender template (Template 6) offer warranty period for the goods offered. The Tenderer shall offer a warranty period of at least 12 months from the date of delivery of the goods which are the subject of this public procurement.

VALIDITY OF TENDER

17. The Tenderer shall in tender template (Template 6) precisely state validity of tender which may not be shorter than 90 days from the date of tender opening, and should it is shorter, the Purchaser will such tender reject as unacceptable. In the case of expiry of tender validity date, the Purchaser may request from the Supplier extension of tender validity in writing. The Tenderer who accept request for extension of tender validity may not change the tender.

CONFIDENTIALITY OF DATA AND DOCUMENTATION

19. Data which the Tenderer justifiably marks as confidential will solely be used for realization purpose and will not be available to anybody outside the circle of persons involved in the public procurement procedure. These data shall not be published during tender opening nor during continuation of the procedure or later.

As confidential, the Tenderer may mark the documents containing personal information, which are not in possession of any public registry nor available in any other way, as well as business data which are marked confidential by regulation or internal acts.

As confidential the Purchaser shall consider documents containing word "CONFIDENTIAL" written in capital letter in top right corner.

The Purchaser is not responsible for confidentiality of information which are not marked in the abovementioned way.

In case the data which do not respond to the above-mentioned conditions are marked as confidential, the Purchaser will invite the Tenderer to remove the confidentiality note. The authorized representative of the Tenderer will do that by writing "CANCELLATION" above the confidentiality note, writing the date and time and signing.

If the Tenderer does not cancel the confidentiality of documents, The Purchaser shall consider this tender as tender without confidential information.

Tenderer cannot mark as confidential the price and other information from the tender relevant for implementation of criterion elements and ranking of tenders.

ADDITIONAL INFORMATION OR CLARIFICATIONS

20. If any clarifications with the reference to these instructions are necessary, the Tenderer may request additional information or clarifications in writing regarding preparation of tender not later than 5 days before expiry of tender submission deadline. Request for additional information or clarifications is submitted in one of the following ways:

- By mail to the address: JSC Belgrade "Nikola Tesla" Airport, 11271 Surcin with indication: "Additional information or clarifications for public procurement No.91/2013 "SPARE PARTS FOR SPECIAL EQUIPMENT FROM IMPORT" for the Committee President- Milivoj Cimeša".
- By e-mail: javnenabavke@beg.aero.

FURTHER EXPLANATIONS, CONTROL AND ALLOWED CORRECTIONS

21. Purchaser, during the expert evaluation of the tenders may require additional explanations from tenderers that will help him in the examination, evaluation and comparison of tenders, and may exercise control (insight) with the tenderer, i.e. his subcontractor.

Purchaser may, with the consent of the tenderer, correct calculation errors observed when considering tender after the tender opening session. In case of differences between the unit price

and total price, the prevailing price is the unit price. If the tenderer does not agree with the correction of calculation errors, the Purchaser will reject his tender as unacceptable.

CONTRACT AWARD CRITERIA

22. The criterion for evaluation of tenders is the lowest price offered.

ADDITIONAL CRITERIA FOR CONTRACT AWARD

23. The Tenderer shall complete and certify the statement in item 4.2., Template 4 of the Tender dossier as evidence that, in preparing his tender, he respected the obligations arising from current regulations on safety at work, employment and working conditions, environmental protection, and guarantees that he is the holder of intellectual property rights.

24. Liability for the use of patents, as well as liability for breach of protected intellectual property rights shall be borne by the Tenderer.

PROTECTION OF TENDERER'S RIGHTS

25. In case the Tenderer considers that his rights have been violated during public procurement procedure, he may file a request for protection of rights, i.e. act pursuant to provisions of the laws regulating the procedure for protection of rights (Art 148-159 of the Public Procurement Law).

26. Request for protection of rights is addressed to the Republic Commission for Protection of Rights in Public Procurement Procedure and submitted to the Purchaser. Copy of the request for protection of rights the claimant at the same time submits to the Republic Commission.

27. Request for protection of rights is submitted in person, by e-mail, fax or registered mail with return receipt.

28. Claimant shall pay the administrative tax prescribed by Art. 156 of the Public Procurement Law to the budget account of Republic of Serbia No: 840-742221843-57.

Money order is filled in with following data:

- Purpose of remittance: republic administrative tax for public procurement (number and name of the subject of public procurement);
- Beneficiary: Budget of Republic of Serbia;
- Payment code: 153;
- Gyro account number: 840-742221843-57;
- Module: 97;
- Reference number: 50016.

• Claimant shall pay the administrative tax in the amount of RSD 80,000.00 if he disputes a particular action by the Purchaser before tender opening.

• If the claimant challenges the decision on the award of the contract fee is RSD 80,000.00 if the tender price of the Tenderer who is awarded contract does not exceed RSD 80,000,000 or the fee is 0.1% of the offered price of the tenderer to whom the contract is awarded if the value is greater than RSD 80,000,000.

- If the claimant disputes the decision to suspend the procurement procedure or action from the moment of tender opening up to the decision to award the contract or termination of the proceedings, the fee is RSD 80,000.00 if the estimated value of the procurement (which the claimant will find out at tender opening or from the Minutes on tender opening) is not greater than RSD 80,000,00 or the fee is 0.1% of the estimated value of the public procurement if the value is greater than RSD 80,000,000.

DECISION ON AWARD OF CONTRACT

29. The Purchaser shall make decision on contract award within 25 days from the date of tender opening.

DELIVERY OF DECISION, CONCLUSION OF CONTRACT AND NOTIFICATION ON CONCLUDED CONTRACT

30. The Purchaser shall submit decision on award of the contract to all the tenderers within three (3) days of the decision.

31. The tenderer whose tender is selected as the most favorable, shall conclude public procurement contract with the Purchaser within 8 days, at the latest, from expiry of the deadline for applications for the Protection of Rights under Article 149 of the Public Procurement Law.

If the Purchaser fails to submit signed contract to the Tenderer in the above period, the Tenderer is not obliged to sign the contract, which shall not be deemed a waiver of the tender and cannot therefore bear any consequences, unless the request for the protection of rights is filed.

If the Tenderer refuses to enter into a public procurement contract, the Purchaser may conclude the contract with the next Tenderer.

In the case of the preceding paragraph, if due to methodology for allocation of points it is necessary to determine the next most favorable Tenderer, the Purchaser will again carry out evaluation of tenders and decide on the award of the contract.

Notification on concluded public procurement contract shall be posted on the Public Procurement Portal within 5 (five) days from the date of contract conclusion.

If until deadline for submission of tenders only one tender arrives and it is acceptable, the Purchaser will pursuant to Art. 112, Paragraph 2, item 5) of the PPL conclude the contract with the Tenderer within two days after the tenderer receives the contract award decision.
