Subject: Additional information and clarifications for public procurement in open procedure
"BAGGAGE RECONCILIATION SYSTEM - BRS" No.8/2013

Acting upon request of the Tenderer in line with the article 63 of the Public Procurement Law ("Official Gazette of the Republic of Serbia" no. 124/12), we are forwarding a clarification of the tender documentation for the public procurement in open procedure "BAGGAGE RECONCILIATION SYSTEM - BRS" No.8/2013.

Question:

Can you confirm that duly completed, sealed and signed Template of technical characteristics-specification (Template 3) is the Table titled "Recapitulation" on page 41 of the tender document?

Answer:

Purchaser can confirm that duly completed, sealed and signed Template of technical characteristics-specification (Template 3) is the Table titled "Recapitulation" on page 41 of the tender document but also the table Other necessary IT equipment, in case Tenderer needs to offer equipment defined on the page 31 of tender documentation.
